💡 **Pier Light Maintenance**

Maintaining our signature aesthetic is key to preserving property values and nighttime safety in Beacon Hill.

- Power Washing: Please consider power washing the stone and precast concrete surfaces of your pier lights to keep them free of dirt and mildew.
- Replacement Fixtures: Pier light fixtures can be ordered through Dulles Electric (2570 [Shaw Road, Sterling, VA 20166](#) at Ashton@dulleselectric.com or call 571-323-7922
- Recommended Bulbs: LED bulbs should be set to the 3000K color temperature and are available at Dominion Electric ([4080 Westfax Drive, Chantilly, VA 20151](#)). The phone number for Dominion Electric is 703-631-8300.
